SPRINGS TO BE FILED

ON FOR SCHOOL

PURPOSES

With a view to securing water for
 school purposes, President Frank W.
 Stratford of the board of educa-
 tion has been directed to file on
 what are known as the Jarrell springs,
 at Riverdale. It is said that there is
 sufficient water in the springs to sup-
 ply the Riverdale school.

The board of education has driven
 an artesian well at the North Ogden
 school, securing an ample flow for
 school purposes. Clerk Froerer says
 there is a surplus of water from the
 well, and that George S. Deane has
 made application for the excess flow.
 The Liberty school building is rapidly
 advancing in construction and it
 will be completed before the opening
 of the school year in September.

The contractors for the construction
 of the Marriott school have succeeded
 in completing the basement and the
 building will be ready for use at an
 early date. The contractors are not
 required to complete the building ear-
 lier than November 1, but it is ex-
 pected that it will be ready for use
 before that time.

NOTICE

We have received many names for
 a special quality tea, but have been
 unable to pick out one that suits just
 us. Here are a few of the names sub-
 mitted: Ruka, Rus-Jam, Delcupa, Sil-
 vermoon, Tastee, Thirstease, Jaras,
 Luxus, Cherry Blossom, Family Favor-
 ite. Now we want something different,
 we want something suggestive of
 the quality and flavor. Something
 easy to remember and not funny.
 "U-ne-da" biscuit, we consider an ideal
 name. We want something on that or-
 der, and we are going to give you
 another chance. Make a list of all the
 names you can think of and then send
 us three that you think the best. We
 will pay \$5.00 to the one that can suit
 us.

In the meantime ask for our special
 quality tea at 75c a pound. Nearly
 every one that bought a pound are
 now steady customers for that kind of
 tea, and we have had many very flat-
 tering comments on it.

Now all of you who sent in sugges-
 tions before get busy again, and every
 one in Ogden, too.

Mail your suggestions so they will
 reach us not later than July 28, and
 don't send more than three names.

HARCOMBE WRITES HE
HAS HAD HIS
RIBS BROKEN

Recent investigations by the law
 firm of Boyd, DeVine and Eccles have
 disclosed further defalcations by W.
 W. Harcombe, who took French leave
 a short time ago, and has not return-
 ed. It was stated today by Attorney
 Boyd that there is a shortage of from
 \$5000 to \$6000 and that it would not
 surprise him if the amount ultimately
 reached \$10,000.

A letter was recently received from
 Harcombe at Duluth, stating that he
 expected to make the amount good.
 He requested a little patience on the
 part of those from whom the money
 was extracted. He wrote that he met
 with a little bad luck lately in which
 he was deprived of about \$3000 by a
 fellow who slugged him, broke his
 ribs and otherwise maimed him, be-
 sides taking his money.

It will be recalled that Harcombe
 was employed by the firm of Boyd,
 DeVine and Eccles some time ago to
 take care of the collection department,
 and that he handled considerable
 money in that capacity. Complaints
 from clients began to come to the
 effect that receipts had not been
 forthcoming, and, in one instance, a
 client requested that an explanation
 be made respecting a remittance by
 check in the name of Harcombe which
 had not been honored at the bank.
 An investigation was hastily conduct-
 ed, with the result that it was learned
 that Mr. Harcombe was short in his
 accounts. In the meantime Harcombe
 left the city and state.

LOCATING THE THREE
MAGAZINES FOR
POWDER

The matter of permitting the Du
 Pont Powder company to erect and
 maintain three powder magazines
 was referred this morning to the com-
 missioners of the whole of the city com-
 missioners, after a report from the city
 building inspector had been consid-
 ered. The report stated that the pro-
 posed powder site is nearly a mile
 west of the south boundary line of
 Washington Heights, and three miles
 south of the city limits. It is nearly
 a mile from Washington avenue and
 is in a hollow sufficiently low to ob-
 scure it from view. The nearest resi-
 dence is said to be one mile away.
 It is in the Riverdale district.

The report of Deputy Auditor L. A.
 Van Dyke states that the assessed val-
 uation of Ogden City property, includ-
 ing that fixed by the state board of
 equalization, for the year 1915, is
 \$15,268,755. The city commissioners
 are requested to make a tax levy at
 an early time.

The petition of the Fourth Ward
 for privileges to sell candy, ice cream
 and other things on Pioneer day in
 Liberty park was granted.

 in the morning and the last one for

GIRLS ARE TO PARADE
IN ALL KINDS OF
BATHING SUITS

Come girls, get your niftiest, bright-
 est bathing suit. There is some news
 that will interest you. If you haven't
 a bathing suit, get one. If you prefer
 to do so, you will have plenty of time
 to design a beauty on the most ap-
 proved lines.

The local Elks' lodge wants to know
 who has the prettiest suit in Ogden,
 and they are willing to pay well for
 the information; incidentally they are
 going to have a parade that will be
 the first and only one of its kind
 staged in the intermountain coun-
 try.

They have put up large cash prizes
 for those who will join in the parade.
 Get in line! here are some of the
 regulations that are to be considered.
 The most expensive bathing suit; the
 one with the brightest colors; the
 oldest girl in the parade (there is a
 riddle here that will cause them some
 trouble to solve); the tiniest girl, the
 skinniest; the fattest and other kinds
 of girls; and bathing suits, will be
 seen in the parade.

This parade is the method selected
 by the Elks to advertise their Purple
 day at the Hot Springs Tuesday, Au-
 gust 10.

The lodge has bought the resort for
 the day.

"The Goddess" which has
 usually been shown on Tues-
 days will appear on Wednes-
 day only hereafter at the Al-

CHAS. H. PEERY SEES
OGDEN FOR FIRST
TIME IN YEARS

Charles H. Peery of Tazewell, Va.,
 is visiting with the Peery family at
 their summer home in the canyon. He
 is returning from a trip to the fair
 and his accompanied by his wife,
 daughter and granddaughter.

Mr. Peery lived in Ogden 35 years
 ago. At that time he was in the gro-
 cery business on "Fifth" street. He
 moved back to Virginia, where he en-
 gaged in the stock business, in which
 he has been very successful. This is
 Mr. Peery's first visit here in 35
 years. He always wanted to return,
 but never before had the opportunity.

"Ogden has made a wonderful
 growth since I left here. But the
 mountains seem to be not so high as
 they were 35 years ago," said Mr.
 Peery. Of course, I will have to ex-
 plain that by saying that I have seen
 higher mountains than you have here.
 These mountains appear flat in com-
 parison with some I have seen in the
 Northwest.

Mr. Peery will remain here a few
 days visiting with relatives before
 going back to Virginia. He is much
 in favor of staying here and enjoying
 the cool mountain breezes and the
 beautiful climate of Utah, but as he
 has been away from home some time
 he will have to hurry back.

RETAIL LUMBERMEN
TO HOLD OUTING
IN CANYON

Preparations for the entertainment
 of the Utah Retail Lumbermen's as-
 sociation at the Hermitage, on the
 occasion of their annual outing, Au-
 gust 13-14, are being made by the lo-
 cal officers of the association. The
 lumbermen of the state have had
 three of four outings at the Hermit-
 age, and they liked the place so much
 and were so well treated by the local
 members, that they voted to hold this
 year's outing in the canyon.

The entire program has not been
 completed and will not be announced
 until all the members of the state
 have had an opportunity to have a
 hand in the forming of it.

Lectures and speeches of interest
 to the men engaged in this business
 will have important places on the
 program. Addresses will be made by
 men from different parts of the state,
 telling of conditions in their towns
 and such other information that will
 be of mutual interest to the delegates.

Appeal to Whitman for Stay
 of Execution on July 28
 Implicates Senator
 Sullivan.

New York, July 21.—Counsel for
 Charles Becker awaited today the re-
 sult of Becker's appeal to Governor
 Whitman to forbid his execution on
 July 28 for the murder of Herman
 Rosenthal. Becker's plea, sent to the
 governor at Albany last night, includ-
 ed a long statement of his version
 of the facts leading up to the murder.
 In this statement Becker denied com-
 plicity in the murder and said that
 State Senator Timothy D. Sullivan,
 now dead, had told Becker that he
 had \$12,500 invested in Rosenthal's
 gambling house and that when Rosen-
 tal began to make public statements
 about the raids on his place, Sullivan
 exacted a promise from Becker to
 keep Sullivan's name out of it. Becker
 said that he had kept his promise
 up to the time of making his plea
 for executive clemency.
